

Title:

Commercial Truck Operator

Qualifications:

Klondike Express LLC & Yukon Transfer LLC are based out of Brooklyn WI. Klondike Express LLC is our intrastate hauling and Yukon Transfer LLC is for our interstate hauls. We haul agricultural products that include but not limited to

- Grains- (corn, beans, wheat, oats, etc.)
- Sludge and manure (we currently haul for Madison metropolitan sewage district).
- Baled Hay, Grass and Straw
- Equipment
- Silage
- Fertilizer
- Bulk seed and other goods

We are looking for responsible individuals with or without a CDL (but looking to obtain their CDL).

High school diploma / GED required.

No serious tickets or accidents in the last 5 years

No DWI/DUI in last 10 years

Job Responsibilities:

- Driving the vehicle is the main responsibility of the commercial truck driver, but some also need to load and unload cargo.
- Complete a daily truck log and submit report of mileage covered at EOD
- Observe and report equipment or mechanical failures immediately
- Manage routes and routines so they proceed in the most efficient way possible
- conduct daily inspections of the vehicle and report any problems or damage to management
- Comply with all DOT and in-house regulations and rules
- Organizational skills to keep record of daily paperwork
- Responsible for vehicle upkeep and presentation (cleanliness).
- Be flexible with work schedule which may change based on business needs.

Klondike Express LLC & Yukon Transfer LLC have more to offer than just commercial truck driving. In relations they are connected to Klondike Farms which is a cash grain operation. A lot of driving is from field to coop or grain facility especially during harvest months. So if there is an interest in agricultural operations this may be the job for you!
